

HCA[®] HENDRICKSON CHASSIS AXLE[™]

- Proven performance
- Standard industry applications
- Low maintenance

Worldwide Product Support

As a leading supplier to the global commercial vehicle market, Hendrickson boasts a wide breadth of product and application knowledge. Our sales and service teams are available to provide support – from applications advice to onsite training.

Low-Maintenance

Hendrickson's product development, testing and specifications contribute in providing durable, low-maintenance parts. The HCA[®] system features a robust design that has durability in mind. From heat treated spindles to hardened cam heads, journals and splines, the HCA is ready for mile after mile.

Outstanding Warranty Coverage

Hendrickson's industry-leading warranty includes outstanding coverage and support from a recognized name in the commercial vehicle industry and the convenience of a single source supplier.
