

HTA[®] HENDRICKSON TRAILER AXLE[™]

- Proven performance
- Industry-standard trailer axle
- Less downtime

Worldwide Product Support

As a leading supplier to the global commercial vehicle market, Hendrickson boasts a wide breadth of product and application knowledge. Our sales and service teams are available to provide support – from applications advice to onsite training.

Low-Maintenance

Hendrickson's product testing and specifications provide durable, low-maintenance parts. The HTA[®] system features a robust design that has durability in mind. From heat treated spindles to hardened cam heads, journals and splines, the HTA is ready for kilometer after kilometer.

Outstanding Warranty Coverage

Hendrickson's industry-leading warranty guarantees outstanding coverage and support from a recognised name in the commercial vehicle industry and the convenience of a single source supplier.

To learn more about HTA Hendrickson Trailer Axle, call Hendrickson or visit our global websites for additional information.
