

ULTIMAAX® 21t

Premium Elastomer Suspension

- Extreme durability
- Premium ride quality
- Low life cycle costs
- Reduced suspension weight

Experience the perfect balance of durability, ride quality and stability with the ULTIMAAX® family. Engineered to be lighter than standard 21-ton 6 Rod products, ULTIMAAX offers optimised packaging and spring rates tailored specifically for European vehicles, utilising commonly available European materials. Designed for severe-duty truck applications, including cement mixers, ULTIMAAX delivers unmatched performance and reliability for your most demanding tasks.

HENDRICKSON
The World Rides On Us®

Frame Hanger

- Developed and optimized to ensure driving comfort when unloaded
- CNC-formed and robot-welded in our own specialized production facilities

Elastomer Shear Spring

- Developed and optimized to ensure driver comfort when unloaded
- Working in shear direction and together with the progressive load springs, they provide excellent stability when loaded
- Manufactured and tested in our own specialized production facilities

Progressive Load Spring

- Designed and optimized for excellent handling and stability, even when loaded
- Protected by end stop to reduce the maximum load
- Manufactured and tested in our own specialized production facilities

Walking Beam

- Structure and weight-optimised design
- Provides excellent traction and a certain amount of compliance for reduced tire wear when cornering
- CNC-formed and robot-welded in our own specialized production facilities

Carrier End Bushing

- Enables up to 400mm diagonal articulation

Actual product performance may vary depending upon vehicle configuration, operation, service and other factors.

All applications must comply with applicable Hendrickson specifications and must be approved by the respective vehicle manufacturer with the vehicle in its original, as-built configuration. Contact Hendrickson for additional details regarding specifications, applications, capacities, operation, service and maintenance instructions.
